John and Paul

Garry Griffin of Georgia Pacific and Garret Bondy of AMEC asked that I follow up with you on your availability to attend a SWAC and Fish data trend Work Group conference call on Friday, April 19<sup>th</sup> at 1:00 pm, eastern. Both John Kern and Jeff Keiser as well as the AMEC folks are available at that time.

We sent out a doodle invitation to coordinate schedule, but the site is not showing your availability. I am concerned that there may be a glitch in the website and it is not recording your information.

Could you let me know your availability. If 1:00 pm doesn't work for you, can you suggest another time on Friday afternoon? Thanks.
